

A47 Blofield to North Burlingham upgrade

Construction progress update meeting

Local residents affected by the above road improvement scheme are invited to join an in-person meeting about current construction progress, and to learn more about upcoming planned works. It will also be an opportunity to raise any questions or concerns with the project team.

The meeting will be held at Lingwood Village Hall (Main Hall) on Wednesday 25 February 2026. To ensure discussions remain focused on the differing impacts across local areas, the evening will be split into the following sessions:

- **5:30pm to 6:25pm:** Parish Councillors
- **6:30pm to 7:25pm:** North Burlingham, South Walsham, Upton, and villages north of the A47. *(Please note: this session is reserved for residents from these areas, as their impacts differ from others along the scheme.)*
- **7:30pm to 8:25pm:** Lingwood, Blofield, Acle, Brundall, and surrounding villages south of the A47. *(Please note: this session is reserved for residents from these areas, as their impacts differ from others along the scheme.)*
