**WANTED – DIGITAL PROJECTOR OPERATOR/S**

- Our friendly voluntary group was established in 2007 to enhance the quality of life in Brundall.
- We aim to link generations across the community through collecting, preserving and sharing information and memories about our history and heritage.
- Our activities support mental and physical health by helping people of all ages to develop their knowledge, skills and potential.
- Our annual programme of educational events is open to all.

We are planning to re-start our programme of public talks at Brundall Memorial Hall. These will take place on the third Thursday evening of the month from October 2021 to July 2022, 7.30 - 9.00pm.

Setting up the hall by our volunteers starts at 6.30pm.

**To maximise audience enjoyment and engagement, we need someone familiar with audio-visual equipment and basic computer technology to efficiently set up and run our new digital projection equipment at these events.**

**Another person is also needed to set up microphones and operate the hall's internal sound system.**

Membership of our group is not essential to carry out these tasks.

To find out more about these voluntary roles please contact:

**Chloe Veale**

**Phone: 01603 928804**
