

Snowy's Nursery and Preschool is recruiting! Chair of Management Committee

Snowy's Nursery and Preschool in Brundall offers Early Years childcare for children aged 2 to 4 years and provides a valuable service to the local community, the children, and their families.

We are looking for a new chair to lead our Management Committee.

Our preschool committee supports the management team to ensure that Snowy's provides the best possible education for our children. The Business Manager and Preschool Manager manage the day-to-day running of the preschool and as Chair you will liaise with them.

After 5 years, our current chair is stepping down. Currently this voluntary role takes approximately 5-6 hours per month and the committee meets 6 times a year. The chair will coordinate the meetings and is the main point of contact for the committee.

As a non-profit charity, the committee is vital to Snowy's and without it we would not legally be able to operate and the preschool would have to close.

Your contribution will make a difference. We appreciate our volunteers, as we know your time is valuable. You do not need to be a parent of Snowy's to be chair, it can be anyone from within our local community.

Please share with anyone you think would be interested.

If you are interested or have any questions, please contact us on 01603 211445 or email us on....
