Brundall Parish Council Land Management reports to be considered

Name of organisation/group: Cremer's Meadow. September 2024

Highlights for sharing

The Information Centre (hut) is being assessed for further work. This will be brought back to a future Land management meeting for consideration.

The Bridge is due to be officially opened on 11th September. All agree that it looks very well in the setting and is an asset to both sites.

We still await feedback for possibilities for the pond ie dredging and establishing a site for Great Crested Newts.

The annual Cut and Clear is planned for Wednesday 11th September. The Central England Co-op has kindly offered to donate ingredients for the lunch.
