

Brundall Parish Council Land Management reports to be considered

Name of organisation/group: Brundall Allotment Association (BAA)

Date: 25/09/25

Highlights for sharing

During this period, the BAA has carried out the trim of the inside of the hedge. All of the debris has been collected and taken to the bottom of the site to await disposal.

The association has begun a campaign to mark all its assets with the postcode and “BAA” or “Brundall Allotment Association”. We are using permanent markers and “UV” markers. It is intended to discourage burglary in this way.

The BAA chairperson has written to all members urging those that are considering giving up their plot to make an early decision.

Issues you wish Land Management to discuss

1. Parkrun cutting the hedge
2. Publicity

Help requested from within Land Management groups
