

Recreation & Wellbeing community group reports to be considered

Name of organisation/group: 2nd Brundall Scouts

Date: 05/02/2026

Highlights for sharing

All sections full and running exciting programs.

We have successfully secured £15k from Broadland council for our refurbishment project. Due to tight time scales we are looking to make a start with a first phase of work while we try to secure further funding and complete fundraising.

We hope to start works on the internal toilet area in the next few months.

Issues you wish Recreation & Wellbeing to discuss

Help requested from other Recreation and Wellbeing participants

Once we have prepared our posters and other advertising it would be great if some could help display them and get the word out there about our project.

Could we put a little something in the newsletter?
