The results of the Norfolk County Council elections were announced on 8 May. Cllr Jan Davis has been duly elected as Norfolk County Councillor for the Blofield and Brundall Division.

Local Government Reorganisation Update

On 25 March 2026 the government confirmed plans to move ahead with a proposal for 3 new unitary authorities in Norfolk. A map of the boundaries can be viewed here: <https://commonslibrary.parliament.uk/research-briefings/cbp-10608/>

- The English Devolution and Community Empowerment Act 2026 received Royal Assent on 29 April 2026. The Act:
- creates a statutory framework for “Strategic Authorities” across England

- expands powers for metro mayors and devolved authorities
- supports local government reorganisation
- introduces new community empowerment measures such as strengthened community asset purchase rights
- reforms some local governance and election arrangements.

The legislation underpins the wider English devolution programme, the move toward unitary councils and future strategic authority/mayoral arrangements in reorganised areas. A Structural Change Order (SCO) will need to be laid to dissolve the existing councils, set out the new warding arrangements for the new unitary councils, the number of councillors and the implementation structure. However, it is possible that this could now be significantly delayed which would have an impact on the overall timetable for Local Government Reorganisation.

A “topping out” ceremony for the new Visitor Centre and Café at Broadland Country Park was held on 11 May. This was to mark the completion of the building’s highest point. The centre is constructed sustainably and was developed in response to visitor feedback. The Norfolk Wildlife Trust is the principal manager of the site with BDC remaining a key stakeholder, and the total area of the site managed will be over 250 acres.

The next Safer Neighbourhood Policing Team meeting for the Acle area will be held on Tuesday 16 June 2026 at 6.00 pm at the Diamond Centre, School Lane, Sprowston NR7 8TR. Attendance can be in person or online. If you would like to attend online, please contact: SNTBroadland@norfolk.police.uk

The Veolia Sustainability Fund awards event was held in Brundall on 11 May. There were 9 successful recipients of funds totalling £8,715, for projects in the district including tree planting a school biodiversity project. Brundall Countryside Park received £2000 toward creating a wildlife pond. The fund will be opening again for further bids later in the year.
