Welcome to the tenth edition of the Brundall Newsletter produced by Brundall Parish Council, Brundall Memorial Hall and Yare Valley Churches

Our front cover feature for this issue is by the Brundall Bolts Football Club!

Brundall Bolts Football Club

Brundall Bolts FC is a grassroots football club serving children in Brundall and the surrounding area, with a focus on youngsters aged 5–14. The club is about much more than football and winning matches - its aim is to provide a fun, safe and positive environment where children can develop valuable life skills alongside their football abilities.

With a strong emphasis on enjoyment, development and the wellbeing of young players, Brundall Bolts is committed to helping local children thrive both on and off the pitch. The club is also England Football Accredited, reflecting its commitment to providing a positive and well-run grassroots football experience.

Message from the 2026/27 new Chairman, Carl

*NEW season, NEW teams, NEW sponsors, and a NEW
Chairman to take Brundall Bolts into the 2026/27!*

*Along with all this our home is staying the same but with
some improvements, we are still based at the Brundall
Sports Hub and this season we have introduced
technology! Our teams will have the opportunity to have
their home games recorded with the capability for our
parents to give after match analysis to their children.*

*Our teams for this season are U7's (minibolts) U8's, U9's, U10's, U11's, U12's, U13's,
U14's and a women's team.*

*We welcome everyone to come up and watch a match at the weekend, enjoy a coffee
and a great community atmosphere, so we hope to see you soon.*

Carl. Chair. Brundall Bolts.

Celebrating our players!

The photo above shows some of our trophy winners celebrating at our end-of-season awards day, recognising the hard work and achievements of our young players. After just four seasons, we're proud to have more than a dozen players who have made over 100 appearances for Brundall Bolts, earning the title of 'Centurions'. To celebrate this milestone, each Centurion receives a special-edition Brundall Bolts cap featuring a gold badge - an award we plan to continue for many years to come. We also have our first 'Double Centurion'! One player has made over 100 appearances and scored 100 goals for the club - a fantastic achievement.

Cremer's Meadow Cut and Clear

Each year, the Friends of Cremer's Meadow cut the water meadow and remove the cuttings, encouraging new plants to grow. The meadow is well known for its Southern Marsh Orchids, but many other plants can also be found there. Its importance has been recognised through County Wildlife Site status.

The Friends are supported by Bure Valley Conservation and the Blofield and District Conservation Group. This year, over 30 volunteers took part, allowing a significant area to be cut. Thank you to each and every one of you!

A highlight of the morning is the sandwich and cream tea lunch provided by the Friends for all the volunteers. The ingredients are kindly donated by Central England Co-op, near Cucumber Lane, who have supported the event for several years. Thank you Brundall Central England Co-op!

The Friends give their time throughout the year, particularly on Friday mornings, helping to manage and care for this special area. There are jobs to suit all interests and abilities, and new members are always warmly welcomed.

If you would like to join the Friends, you will be very welcome! Please contact deputy.clerk@brundall-pc.gov.uk in the first instance.

Brundall thrives thanks to its volunteers. Whether you have a few hours to spare or can help regularly, there are many ways to get involved. Every contribution makes a difference.

Want to help make Brundall an even better place to live?

We'd love to hear from you.

Please email deputy.clerk@brundall-pc.gov.uk to find out more.
